

2012 Lenten Sunday Sermon Series

This Lent, Fr. Jim will be preaching a sermon series on God's covenant relationship with us, and how that relationship helps us know God better, and also helps us know what God's purpose for us is. The texts will be (mostly) the Old Testament readings for each Sunday. Dcn. Becky will also be leading a discussion group about these topics from Noon to 1:00 pm each Sunday (light refreshments will be provided to "tide you over" until you can get lunch at 1:00).
